

The Habitat Portable Bunk Bed Set

Like all other Design Shelter products the **Habitat Portable Bunk Bed Set** is specifically designed for ease of use and setup in the field where time is of the essence. The entire bunk bed assembly folds down into a convenient heavy duty field bag for ease of transport and storage. Each bunk measures a very comfortable 198 cm (78") long by 76 (30") wide when in the assembled condition. No tools are required for assembly. Each bunk bed set is designed to support up to 227 kg (500 lbs) combined weight or a maximum of 113.5 kg (250 lbs) per bunk. Fabricated from oversized rectangular anodized tubing covered with 610 g/m² (18 oz/yd²) polyester mesh the Habitat portable bunk bed is designed to create a comfortable sleeping pocket for each individual. Leg stands are articulated and collapse conveniently for storage. The bunk bed is fully self-supporting and comes standard with three position foot plates for level adjustment on uneven ground. Some customers prefer to use the bunk set for sleeping on the bottom with the upper bunk used for personal effects. Get your team off the ground and at the same time maximize available floor space by deploying Design Shelter's Habitat portable bunk bed set.

Optional single bed design available

The Habitat Portable Desk & Shelf Set

Integral custom fit work stations/desks are available for all models of the Habitat and Long Habitat series of portable shelters. A work station/desk set consists of a collapsible, anodized aluminum desk, two shelves and associated stainless steel brackets. The desk and shelves are designed to simply affix to the interior of the frame of the shelter using the supplied thumb screw style brackets. All shelter model desks measure 67 cm (26.5") wide and the shelves are 25 cm (10") wide. The total length of the desk/shelf set varies with each shelter model as they are designed to fit between any two adjacent vertical leg bars. The desk folds together into a convenient carry case for the shelves and brackets and is easily installed in a matter of minutes. To maximize the amount of available floor space in your Habitat series shelter consider use of the Habitat portable desk and shelf set.

The Habitat portable desk set including 2 shelves and mounting brackets fold into this convenient field carry case.
